Ephesians 2:10

**REV. BRENDA
FLORES - COTTO**

Brenda Flores-Cotto was born in Alaska, where her parents were in the military. At 12 years old, she accepted Jesus and was baptized in Panama. A year later, she served her first mission trip with the San Blas Indian in Panama. A strong calling in her life at age 21, she received a calling from GOD to serve the Deaf community. Since then, she has devoted her life to what God has called her to serve. Brenda served on another mission trip to Honduras, where she met her husband, Julio Flores, who worked with the ministry "Castillo de Rey," and we married in 2011. A year later, their son, Junien, was born while she was pastoring Viva Deaf at Viva Church in Orlando, Florida. She continues to travel on mission trips and work with a Deaf School in D.R. Congo, Africa, and the Bible Institute, School of Ministry of A.G. for the Deaf.
