## REACHING THE DEAF IN 2024

Last year's World Deaf conference held in Spain left me with a renewed resolve to see Deaf ministry moving forward in Colombia. Colombia will be hosting the next World Deaf Conference in 2026. I'm so excited to see what God will do through this Conference. It is great to see how God is bringing us together not only in Colombia, but also throughout the world. Will you pray with us for God's guidance in the planning process.

## MY YEAR OF FUNDRAISING FUN

The Reach 2024 missions tour in NJ is this Feb.-March! I'm so excited to be a part of it. I will to be able to visit many churches and ministries over the next few weeks. Please be praying that I raise more monthly pledges and cash for my ministry projects. I need about 2,300 more in monthly pledges to reach financial clearance for my next term. A big thank you to those who already support this ministry! I'm humbled to be able to partner with you. Thank you. Together lives are changed!

## PRAYER REQUESTS

- Good driving conditions
- People would feel called to make pledges
- Good health and strength for all the travel.
- The Holy Sprit would speak through me.

## DECEMBER IN COLOMBIA

This past December I had the opportunity to fly into Colombia for a week during my itineration. It was great to get to spend time with the Deaf church. I can't wait to get back for my next 4 year term.

*Support Deaf missions today!*
